

## Business Card

### Description

Double sided coating supporting double-sided inkjet printing. With a unique texture, gives the business card a distinct and elegant appearance. The vein-like texture adds a tactile element that feels luxurious and stands out from standard smooth cards.

model  
Vein 250MVD  
Leather 250LVD

### Print

universally printable with all common inkjet printer  
  
> dye ink

### Applications

> Professional Business Cards: For individuals or companies looking to differentiate themselves with premium cards.  
> Event Invitations: The textured finish is also suitable for elegant invitation cards.  
> Artisan or Boutique Brands: Perfect for branding in creative or luxury sectors.
