

Water Resistant Matte PP Film Self Adhesive

Description

The Water Resistant Matte PP Film Self-Adhesive combines the durability and water resistance of polypropylene with a convenient self-adhesive backing, making it an ideal solution for creating long-lasting labels, stickers, signage, and promotional materials. Featuring a water-based coating that ensures water resistance and prevents smudging, this film is perfect for use in both indoor and outdoor environments. The matte finish provides a professional, non-glare appearance, while the self-adhesive backing ensures easy application on a variety of smooth surfaces.

Print

universally printable with all common inkjet printer

- > dye ink
- > pigment ink

Applications

- > Product Labels & Stickers: Perfect for creating water-resistant product labels that require durability and a high-quality finish
- > Outdoor Signage: Suitable for creating durable, water-resistant outdoor signs, posters, or directional signage
- > Promotional Materials: Used for creating promotional stickers, decals, or tags that need to be easy to apply to various surfaces.
